

CHILDHOOD SPECIAL EDUCATION (M.S.E.)

30 credits

NYSED 25434/25444

The master's degree program in Childhood Special Education prepares teachers who already have childhood (grades 1–6) or elementary certification (pre-k–6), offering the knowledge and skills needed for teaching special education in grades 1 through 6. The coursework and field experiences develop competencies in understanding, assessing, and instructing children with mild disabilities and lead to New York state certification as a teacher of Children with Disabilities in Childhood Education.

CIP Code

13.1017 - Education/Teaching of Individuals in Elementary Special Education Programs.

You can use the CIP code to learn more about career paths associated with this field of study and, for international students, possible post-graduation visa extensions. Learn more about CIP codes and other information resources.

Admissions

In addition to the general admission and completion requirements for master's-level graduate study, candidates must provide evidence of their initial/provisional or permanent/professional certification as a childhood or elementary teacher.
