HEALTH CARE ETHICS (HECE)

HECE 4500. ADVANCED HEALTH CARE ETHICS. (4 Credits)
This seminar will provide students with knowledge and critical thinking skills to enhance their understanding of and participation in discourse regarding ethically-relevant personal and policy decisions involving mental and physical health care treatment and research. Four-credit courses that meet for 150 minutes per week require three additional hours of class preparation per week on the part of the student in lieu of an additional hour of formal instruction.

Attribute: SRVL.

HECE 6000. HEALTH CARE ETHICS CAPSTN. (3 Credits)
This course examines issues in practice and research in behavioral and medical disciplines.

HECE 6100. THEORIES&APP IN CONTEMP ETHICS. (3 Credits)
