

# MASTER'S SEMINAR (GABELLI) (MSGB)

---

**MSGB 6801. Cdc Launch to Landing. (0 Credits)**

Designed for the MBA cohort to participate in numerous personal and professional development activities to enhance employability and ensure "career readiness." Students will be required to attend a recruitment overview, complete a career assessment and attend a related small group discussion session, complete an Excel workshop, and meet with a career adviser at least once per term to fulfill the career check-in component of the course.

**MSGB 6802. Launch to Landing II. (0 Credits)**

This course builds on the foundation laid in Launch to Landing I. In order to ensure further career readiness, students will take part in a workshop to help them develop cross-functional leadership skills and participate in a presentation-skills workshop as well as a negotiation-skills workshop. Students are also required to meet with a career adviser at least once per term to fulfill the career check-in component of the course.

**MSGB 6810. Gabelli +. (0 Credits)**
