ACCOUNTING AND TAXATION (ADV CERT)

Requirements
To earn the Certificate in Accounting and Taxation, students must complete any combination of five advanced-level courses offered in accounting or taxation. Visit the academic areas page to see a list of courses.

To begin this certificate, students must fulfill one (or more) of the following:

• Hold an MBA or comparable degree
• Have completed an undergraduate degree with a major in accounting
• Hold a CPA certificate
• Be able to present evidence of having passed at least two parts of the Uniform CPA examination

For more information, please contact Lonnie Kussin at lkussin@fordham.edu or the Admissions Office at 212-636-6200.
