ACCOUNTING (ADV CERT)

Requirements

The Certificate in Accounting provides advanced study in the field.

It is extremely customizable: Students complete it by choosing any five advanced courses in the accounting area. Visit the academic areas page to see a list of accounting courses. Additional prerequisite courses may be required depending on each incoming student's academic background.

For more information, please contact Lonnie Kussin at lkussin@fordham.edu or the Admissions Office at 212-636-6200 or admissionsgb@fordham.edu.
