1 More information about the Internship courses can be seen below.

2 You will complete a master’s thesis under the supervision of a faculty member on a topic related to the three thematic areas listed above.

Internship

Our New York City location enables students to pursue internships and exposure to various United Nations agencies, diplomatic missions, international nongovernmental organizations, and prominent research and think-tank institutions.

Independent Study

Students have the choice of doing a one-credit independent study instead of an internship.
