# APPLIED DEVELOPMENTAL PSYCHOLOGY (PH.D.)

## Concentrations

The ADP program requires students to focus their coursework and research and field experiences in one of the following three areas: Development within Family, School, and Neighborhood Contexts; Development in the Context of Race, Ethnicity, and Culture; and Health, Illness, and Well-being Across the Lifespan. Faculty can associate with more than one concentration and are able to mentor students across concentrations.

### Development within Family, School, and Neighborhood Contexts Concentration

Three courses are required.
