BILINGUAL EDUCATION, ADVANCED CERTIFICATE

15 credits
NYSED 32679/32795 ; ITI 40172

The Bilingual Education Extension program is for teachers who already possess initial, provisional, permanent, or professional certification in early childhood (birth–grade 2), childhood (grades 1–6), or adolescence (grades 7–12). Individuals who do not possess an initial teaching certification but are matriculated in an initial teacher education program at Fordham University may also apply.

The program leads to an endorsement for an extension to the early childhood, childhood, or adolescence certification to teach bilingual education. The program does not lead to an academic degree.
