

CHILDHOOD SPECIAL EDUCATION (ADV CERT)

15 credits

NYSED 36085/35086

The Childhood Special Education Advanced Certificate program is for teachers who already possess initial, provisional, permanent, or professional certification in Childhood (grades 1-6) or Elementary Education (pre-k-6). The 15-credit program leads to New York State certificate for teaching Students with Disabilities (grades 1-6). The coursework and field experiences develop competencies in understanding, assessing, and instructing students in special education.

Admissions

In addition to the general admission and completion requirements for master's level graduate study, candidates must provide evidence of their initial/provisional or permanent/professional certification as a childhood or elementary teacher.
