EXCEPTIONAL ADOLESCENTS WITH SUBJECT EXTENSION, ADVANCED CERTIFICATE

15 credits
NYSED 34670/34677

The Students with Disabilities 7-12 Generalist extension is for teachers who already possess initial, provisional, permanent, or professional certification as a Classroom Teacher, Grades 7-12, in at least one Subject Area (biology, chemistry, physics, earth science, social studies, mathematics, or English language arts). The leads to certification to become the teacher of record for a special class in the candidate’s certification subject area or support, consultant, and collaborative roles. This program does not lead to a degree.

The coursework develops competencies in understanding principles and policies of special education, and proficiency in assessing and providing evidenced-based intervention and instruction for culturally diverse adolescents with a range of disabilities.
