

MIDDLE CHILDHOOD CHEMISTRY 7-9 (ADV CERT)

12 credits

NYSED 25439/25449

Admissions to this program are currently on hold for the 2024-2025 application cycle. Program faculty are in the process of redesigning this program; the present Bulletin content refers to the version of the program that is on hold. This content will be updated when the program's redesign is complete.

The middle childhood extension program builds on previous coursework in childhood education and leads to certification in chemistry teaching for grades 7–9. The program is open to persons who are completing the M.S.T. in childhood education or who already possess initial/professional certification in childhood education or provisional/permanent certification in elementary education (Pre-K–6).
