SCHOOL COUNSELING, MSE

60 credits
NYSED 32851/33062

The MSEd program in school counseling is designed to prepare school counselors who will work in Pre-K and K-12 schools. This program meets the course requirements for provisional/initial and permanent/professional certification as a school counselor in New York state. Students that successfully complete all of the program requirements will be recommended for certification as a school counselor.

The required courses in this degree program are only offered at the Lincoln Center campus. All of the courses are offered during the fall and spring semesters; some of the courses are offered during the two summer sessions.

Admissions

Admission Requirements

Applicants seeking admission to the MSEd program in school counseling must meet the general requirements for admission to graduate study in the Graduate School of Education and these program-specific admission criteria:

- possess a baccalaureate degree from an accredited college or university
- show evidence of professional promise (personal, interpersonal, and intellectual characteristics appropriate to the profession and the ability to communicate effectively); evidence may be contained in the student’s application for admission, or may be sought in an interview with a member of the program faculty, if deemed appropriate
- have earned a minimum undergraduate grade point average of approximately 3.3 on a 4.0 scale
- provide two reference reports
- demonstrate satisfactory command of oral and written English
- provide proof of immunization against measles, mumps, meningitis, and rubella

Requirements

Program of Study

This 60-credit program includes 54 credits in five basic areas, a two-semester field experience, and a one semester practicum. The following courses are offered as six-credit modules (two courses taken together, a didactic course paired with a relevant practice course):
