ADOLESCENCE PHYSICS
(M.S.T., TRANSITIONAL B)

Overview
30 credits
NYSED 27365/27360

This clinically rich master's degree program prepares candidates to teach physics as a content-area subject in grades 7 through 12.

The Transitional B program is an alternative teacher certification program. The New York State Transitional B Certificate permits eligible candidates to be employed as a classroom teacher in a New York State public school while completing a master's degree. Upon successful completion of this Transitional B program, graduates of the program qualify and are endorsed for New York state certification in Physics 7–12.
