CHILDHOOD SPECIAL EDUCATION (M.S.T., ON CAMPUS AND ONLINE)

45 credits
NYSED 25433/25443

The master’s degree program in childhood special education is an integrated dual-certificate program, and leads to endorsement for New York state teacher certification as a childhood teacher (grade 1-6) and as a teacher of children with disabilities in childhood education.

The program includes coursework in child development, instructional practices for children in regular and special-education settings, and professional studies. The field experiences are coordinated with courses to help candidates understand and apply theory in effective practice. Student-teaching experience is gained in both regular and special-education settings. This program is nationally recognized by the Council for Exceptional Children.

CIP Code
13.1017 - Education/Teaching of Individuals in Elementary Special Education Programs.
You can use the CIP code to learn more about career paths associated with this field of study and, for international students, possible post-graduation visa extensions. Learn more about CIP codes and other information resources.

Admissions
Applicants to all childhood programs must meet the general requirements for admission to the Graduate School of Education and the requirements for admission to initial teacher education programs.

In addition, applicants for any of the childhood programs must have the following:

- An undergraduate degree from an accredited university in one of the liberal arts or sciences. For example, English, American, or comparative literature; mathematics; an area of science; modern languages; media studies; women’s studies; political science; computer science; information science; communications; history; sociology; anthropology; economics; the arts; or psychology.
- College-level study in the following general education core areas: artistic expression, concepts in history and social sciences, a language other than English, scientific processes, mathematical processes, written analysis and expression, and communication

In addition, candidates for the bilingual extension must provide evidence of their competence in a language other than English by fulfilling one of the following three options:

1. Taking and obtaining a passing score on the ACTFL Language Test (oral and written) in the target language;
2. Documentation in transcripts of having completed undergraduate studies in the target language; or
3. Agreeing to complete successfully two courses in the target language

Required Workshops
The workshops listed below are required of all Initial Teaching (M.S.T.) programs as well as certain other programs related to NY state licensure.

Updated: 04-07-2024
Childhood Special Education (M.S.T., on campus and online)
