EARLY CHILDHOOD EDUCATION (M.S.T.)

36 credits
NYSED 25484/25487

The master's degree program in early childhood education (birth - second grade) offers coursework in child development, teaching exceptional children, effective instructional practices for young children, professional studies, and related field experiences for student teaching. Our program provides a beginning teacher with the knowledge and skills needed to be a highly effective early childhood teacher.

Graduates of the program are endorsed for New York State teacher certification in early childhood education. The program is approved by the National Association for the Education of Young Children (NAEYC), the national professional organization in early childhood education.
