NYSED 14864/77597

The master’s degree is crafted specifically through the lens of Catholic identity, mission, and culture and has both New York State School Building Leader (SBL) certification and non-certification tracks. The program is designed for current and aspiring administrators and supervisors in nonpublic schools and school districts.

School Building Leader Certification
The master’s program is approved and recognized by the New York State Education Department as an approved School Building Leader preparation program. This certification is appropriate for such positions as principal, supervisor, department chairperson, assistant principal, coordinator, and unit head and required for school-building-level leadership positions in all New York state public schools and, increasingly, in faith-based and nonpublic schools. Candidates within and outside New York are responsible for meeting state certification requirements as well as understanding reciprocity policies.
