There is required fieldwork associated with all courses except for ASGE 0701 Master's Comprehensive Exam/Assessment.

Completion Requirements
In addition to the general degree-completion requirements of the Graduate School of Education, candidates for the M.S.E. in administration and supervision must meet these requirements:

- complete the prescribed program of study, which includes 30 credits
- maintain a minimum overall graduate grade point average of 3.0 (B or better)
- if seeking the SBL certification, complete a year-long, six-credit internship, which is generally done in the candidate's own school
- pass a master's comprehensive examination which is generally taken during the last semester of coursework
