CURRICULUM AND TEACHING  
(M.S.E.)

30 credits
NYSED 80001/77596

The curriculum and teaching program provides a core of knowledge in professional studies and the opportunity to design, with an academic adviser, unique programs of study or specializations related to professional needs and interests. The program leads to a Master of Science degree in education but does not lead to New York State certification.

Admissions

Students must meet the general requirements to study at the Graduate School of Education.
