Policies and Procedures

All students accepted into a program of study in the Graduate School of Education are assigned a faculty adviser. The adviser provides information and counsel on matters related to programs and Graduate School of Education policies and procedures. Students, however, are responsible for being cognizant of and meeting all requirements, including appropriate deadlines and administrative procedures, for the completion of their degrees.

All academic programs are designed in keeping the standards articulated in the Conceptual Framework of the Graduate School of Education and are aligned with professional and state standards.
