## Fieldwork

Your Fieldwork Practicum is an integral part of Fordham University's master of social work (M.S.W.) degree and uniquely prepares you for your career as a social work professional.

The two-year Field Instruction consists of 14 credits:

- A weekly fieldwork placement internship
- Two-hour long Field Advisement Sessions classes scheduled over four semesters

Field placements take place at an agency within the tri-state area. Supervision is provided by a field instructor who has a master of social work degree at the agency.
