REAL ESTATE (M.S.)

Fordham’s 36-credit Master of Science in Real Estate (MSRE) program provides students with a thorough understanding of the multidisciplinary real estate field. This M.S. program focuses on the finance, investment, development, and management aspects of real estate while offering students the opportunity to develop skills in other areas of the industry that are important for their individual careers.

About the Fordham Real Estate Institute

The Fordham Real Estate Institute (REI) offers a Master of Science in Real Estate (MSRE) degree, advanced certificates in real estate finance and in real estate development and construction management, a Bachelor of Science in Real Estate (BSRE) degree, and a comprehensive array of non-credit professional certificates and programs online. The programs are offered at the Lincoln Center campus in Manhattan and in Westchester County, New York. Taught and developed by leading industry practitioners, our programs provide real-world skill sets for current and up-and-coming professionals. Flexibility and convenience are program hallmarks. Classes can be taken in person and online, at various paces.
