

# **SCHOOL OF PROFESSIONAL AND CONTINUING STUDIES (GRADUATE PROGRAMS)**

---

The School of Professional and Continuing Studies (PCS) offers a wide variety of rigorous academic programs geared toward the interests and needs of the progressive learner who has specific career aspirations.

The programs offered by PCS are designed to help individuals advance to the next level in their careers, either through a degree-granting program or an advanced certificate. Courses include qualifying exam preparation, as well as of-the-moment instruction on new technologies and contemporary practices. Industry-relevant classes, conveniently scheduled online, during weeknights, and on weekends, make taking the next steps to advancement easy.
