

# ECONOMICS MAJOR

Students majoring in economics take a program of studies that will prepare them work in a variety of private industries and public institutions as well as for graduate studies in economics, international affairs, public affairs, business, or law.

Students who plan to work after graduation from Fordham University will find that many job recruiters are favorably impressed by students who have selected this challenging, liberal arts discipline.

Majors find careers in investment analysis, data science, environmental policy, financial institutions, management consulting, and the public sector, among many other career possibilities.

**Fordham College at Rose Hill students:** The requirements above are in addition to those of the Core Curriculum.

**Fordham College at Lincoln Center students:** The requirements above are in addition to those of the Core Curriculum.

**Professional and Continuing Studies students:** The requirements above are in addition to those of the PCS Core Curriculum and any additional electives that may be required to earn a minimum of 124 credits.
