

ENGLISH MAJOR WITH A CREATIVE WRITING CONCENTRATION

Premised on the belief that the study of literature and the practice of writing are mutually reinforcing, the English major with a creative writing concentration emphasizes the interrelations among creative writing, digital media, criticism, and scholarship. As an integrated concentration in the English department with a dual focus on literature and creative work, the creative writing concentration combines literature courses, small writing workshops, and practical industry training to prepare students for advanced study or careers in writing, media, and publishing. In addition, our concentrators benefit from the resources provided by New York City, a worldwide center for literary publishing.
