

# CONCENTRATION IN ALTERNATIVE INVESTMENTS

---

The alternative investments sub-area of finance covers topics such as private equity, venture capital, hard assets, commodities, real estate investment management, and hedge fund investing. These are growth fields with significant hiring potential.

## For more information

Visit the Alternative Investment program web page.

## Requirements

Alternative investments can be pursued by Gabelli students as a secondary concentration only.

The secondary concentration in alternative investments can be completed by taking any three courses related to alternative investing. All secondary concentration students are eligible to apply for inclusion in the alternatives investment program resume book and are encouraged to participate in club programs, skill set training and networking events during the semester.
