

CONCENTRATION IN EQUITY ANALYSIS

Overview

The Gabelli School of Business offers a three-course Secondary Concentration in Equity Analysis, designed to equip students with the practical skills and specialized knowledge needed for a successful career in investment and portfolio management. Whether your interests lie in equity research, asset management, or sustainable finance, this program provides the tools and expertise to thrive. The curriculum combines cutting-edge coursework with hands-on experiences, including the Student-Managed Investment Fund (SMIF), allowing students to analyze financial statements, evaluate market trends, and develop effective investment strategies. With a focus on informed decision-making that drives value and impact, this concentration prepares you to excel in today's dynamic financial markets.
