

# CONCENTRATION IN INVESTMENT BANKING

---

## Overview

The Gabelli School of Business offers a three-course secondary concentration in Investment Banking, designed to prepare students for success in one of the most competitive and exciting fields in finance. From mergers and acquisitions to capital raising and corporate advisory, this program offers an in-depth look at the financial tools and techniques that drive global markets. Students will gain practical, hands-on experience in analyzing financial data, creating pitch materials, and navigating the high-stakes environment of investment banking. The curriculum is tailored to develop the analytical and strategic skills needed to succeed in roles that shape business strategies and execute major transactions.
