| MKBU 4706 | Honors Thesis II - Marketing (For Marketing <br> majors) |
| BABU 4463 | Honors Seminar III |

${ }^{1}$ HPCB 3221 Financial Management, when offered, also fulfills this requirement.
${ }^{2}$ Certain 3-credit business core courses are split into two 1.5-credit courses; in such cases, those two courses do not count separately, but rather count together as one course.
${ }^{3}$ Integrated Projects (IPs) are semester-long projects that use knowledge from the business core and apply it to real-world circumstances. Students complete one IP per year during their fouryear program. All four projects must be completed in order to graduate.
${ }^{4}$ The course taken to fulfill this requirement may double-count as an elective towards the student's major.
