

# CONCENTRATION IN INFORMATION SYSTEMS

---

Gabelli Students may pursue Information systems as either a primary or a secondary concentration.

## Primary Concentration

Course	Title	Credits
INSY 3432	Database Systems	3
INSY 3441	Systems Analysis	3

Two upper-level information systems courses <sup>1</sup>

<sup>1</sup> Any course from subject code INSY numbered 3421 or higher will satisfy this requirement. If students want to specialize their concentrations they may pick electives from the three tracks for the information systems major.

## Secondary Concentration

The secondary concentration in Information Systems requires any three upper-level courses in subject code INSY numbered 3421 or higher.
