

# MIDDLE EAST STUDIES MAJOR

---

Few parts of our world are more in the news or more vital to the international interests of the United States than the Middle East. Business, mass media, law firms, governmental and non-governmental bodies, philanthropic organizations, relief and aid agencies, human rights groups, and graduate and professional schools are all eager to recruit individuals well-versed in the complexities and intricacies of Middle Eastern/North African culture, history, religion, civilization, economics, and politics.

Fordham University is one of the few institutions of higher learning in the United States that offers an interdisciplinary, intercampus, undergraduate major in Middle Eastern studies. This program trains and equips students to step into challenging positions related to Middle East affairs.
