

CREDIT FOR EXPERIENTIAL LEARNING

As part of its mission to educate working adults and part-time learners, Fordham School of Professional and Continuing Studies enables students to earn credit for learning that has taken place outside formal academic settings but through which students have mastered knowledge or skills equivalent to what would have been achieved in college-level courses.

There are several ways in which students can demonstrate this learning and be awarded credit toward the baccalaureate degree. These programs provide a substantial savings of time and tuition for students and recognize the experiences and accomplishments that they have already attained:

- CLEP and DANTES/DSST Exams
- ACE/NPONS National Program on Noncollegiate Sponsored Instruction
- Life Experience Portfolio

For more information

Visit the webpage for receiving credit for experiential learning.
