REGISTRATION

Matriculation
Matriculated students are those who have been admitted as candidates for a degree. A nonmatriculated student is one who has not been admitted as a degree candidate but has received approval to register for credit courses.

Classification of Students
Class standing is determined by the number of credits the student has completed:

Official Registration
Fordham University recognizes that the responsibility for each student’s academic success is shared by the student, the faculty, and the administration. Therefore, before a student registers for coursework at the University, preregistration advising is provided.

First- and second-year students normally register for five three-credit courses. Third- and fourth-year students normally register for four four-credit courses.

By way of exception, third- and fourth-year students who have achieved a 3.700 cumulative grade point average are eligible for a scholarship for a fifth course taken to enrich their academic program: one in the student’s third year and one each in the semesters of the fourth year. Such scholarship courses and credits may not be used to make up for previous course withdrawals or incomplete registrations and may not accelerate graduation, that is, to reduce the number of full-time semesters a student spends in Fordham College at Rose Hill. To register for a fifth course, approval of the appropriate class dean is necessary.

For students approved to take an additional course, but who do not qualify for the scholarship, payment per credit above the student’s allocated credit limit per semester is required.

Juniors and seniors with a grade point average lower than 3.000 may not take an additional course except for unusual reasons and with the approval of the class dean.

Late Registration
Registration at a date later than the day designated may be permitted for serious reasons by way of exception. Students registering late are held accountable for any class absences thus incurred.

Course Changes
By the last day of course changes, as specified in the academic calendar, students should recognize that they have made a serious commitment to complete the courses for which they have registered. Alterations in registration after the last day for course changes will be allowed only if the class dean determines that such a change is important to the academic program of the student. Students’ non academic commitments should be arranged so as not to interfere with coursework to which the student is committed by registration.

Registration in Other Fordham Schools
Students matriculated in Fordham College at Rose Hill are required to complete their core curriculum in their home school. Courses for the major and minor should be taken at the home school or at Fordham College at Lincoln Center; however, with departmental approval, a limited number of these courses may be taken at Fordham School of Professional and Continuing Studies. Elective courses not within the major or minor may be taken at FCRH, FCLC, PCS, and GSB. No more than six of the total courses required for graduation may be taken in the Gabelli School of Business, and no more than 40 percent of the credits taken at Fordham may be taken outside the home school.

Changes of Name or Address
Students are expected to notify the class dean and the Office of Academic Records immediately of any change of address or change of name.

Credit Limits
Full-time status is achieved by registering for 12 or more credits per term; part-time status involves a credit load of fewer than 12 credits. Full-time status is needed for financial aid.

Sophomores completing a B.A. degree have a credit ceiling of 20 credits. Sophomores completing a B.S. degree, requiring additional lab courses, have a credit limit of 22 credits. This is a result of the Core Curriculum, which encourages sophomores to begin taking upper-level and major courses at an earlier stage in their studies.

Juniors and seniors pursuing a B.A. degree have a credit ceiling of 18 credits. Juniors and seniors completing a B.S. degree have a credit ceiling of 20 credits, allowing them to register for up to 20 credits. If students exceed their credit ceiling, they are charged for each credit above their ceiling.

Academic Rank in Class
In Fordham College at Rose Hill, a student’s rank in class is computed on the basis of a minimum of 24 graded credits in a regular academic year. No rank in class will be computed for a student who has fewer than 24 graded credits in an academic year.

Rank in class will be computed only once at the conclusion of the academic year. If grade changes of any kind are made after this time, rank in class will not be recomputed.
