The College Council

The College Council meets six times during the academic year. The membership includes faculty representatives for each department and interdisciplinary program that offers a major on the Rose Hill campus, the director of the honors program, the Dean of Students and three students named by the United Student Government.

The council serves as an advisory body to the dean in formulating policies for the College and in making recommendations for University policies that affect the College.

Fordham College at Rose Hill Alumni Opportunities

All graduates of Fordham College at Rose Hill (FCRH) are members of the alumni association by virtue of their graduation. A board of interested and active alumni represents the FCRH alumni constituency. The board partners with the Office of Alumni Relations to provide opportunities that support and advance FCRH through innovative programs and events.

The goal of all alumni activities is to foster lifelong relationships between alumni and Fordham and to create ways for alumni to share their talents and interests with the University.

The Office of Alumni Relations also sponsors numerous opportunities for FCRH alumni to interact with alumni from all of the schools within the University. The young alumni program focuses on the specific needs of alumni who have graduated within the last 10 years. The regional club program maintains Fordham’s national alumni network. The cultural program capitalizes on the unique benefits of New York City for metro area alumni. Rampass, the alumni I.D. card, affords alumni special discounts and allows alumni to easily return to both campuses.

For more information about opportunities to get involved with the alumni program, please contact the Office of Alumni Relations at 212-636-6520 or visit our website at www.fordham.edu/alumni_relations.
