- Goals and Objectives
- Admission
- Plans of Study
- Curriculum and Courses
- Field Education
- Advisement

Preface

This handbook has been designed to serve students admitted to the Bachelor of Arts in Social Work Program. This handbook provides centralized information about the program. Within this document, students will find an overview of the program's operating framework, including goals and curriculum design. The handbook contains the policies and procedures that govern students' participation in the program. The handbook is also provided to field instructors who work with our students in their field education year.

Dr. Gregory Acevedo, BASW Program Director

Associate Professor
Lowenstein Building, Room 503-D
(212) 636-6644
gracevedo@fordham.edu
