1 These required courses are designed to help the student achieve basic sociological literacy and obtain a reasonable grasp of empirical research techniques.

2 With the written approval of the chairperson or associate chairperson, two courses in other social science departments may be counted toward the elective courses, giving the major considerable opportunity to develop an interdisciplinary approach to the study of human social behavior.

3 Any course with the SOCI subject code or the SOCI attribute code may fulfill this requirement.

4 Any course with the SOCI subject code or the SOCI attribute code, or the ANTH subject code or the ANTH attribute code, may fulfill this requirement. Courses with the subject code SSCI numbered 2000-4999 (offered through PCS) may also fulfill this requirement.
