

THEATRE AND VISUAL ARTS

Contribution to the Core

The Department of Theatre and Visual Arts contributes VART 1101 Urbanism, VART 1135 Visual Thinking, and THEA 1100 Invitation to Theatre as courses to fulfill the fine arts requirement. VART 4300 Representation in Art satisfies the Values Seminar/EP4 requirement, but it is not required. It does not count as an elective toward the visual arts major. THEA 3004 Global Theatre History: Foundational Impulses and THEA 3005 Global Theatre History: Evolutions of the Present each fulfills the Advanced Literature Core requirement.
